Student of the Month: September 2021

Aidan Huynh

My name is Aidan Huynh and I am a 16-year-old student attending Bellarmine College Preparatory as a junior. I have been playing piano since I was 10 years old. I passed level 7 ABRSM in December and am currently working on ABRSM level 8.

My favorite memory from APAM is playing at a recital for the first time.

I currently live with my parents and also have a younger sister attending Notre Dame High School. My favorite composer is Debussy because I admire his ability to compose such great pieces that can imitate emotions and images.

In my spare time, I swim, go to the gym, and read.
